I'll introduce about Doll's Festival. Doll's Festival is March third. Others call it "Peach Festival". Doll's Festival is held to wish girl's growth and happiness. We eat Hina doll, chirashizushi, Hishinomaki, and so on on Doll's Festival. On Doll's Festival, we decorate hina dolls. We decorate peach flowers, too. I think that Doll's Festival is an important event of Japan. 3-5-3 Iseida Yuna
